2.2 Funding Sources (Budget)

Mrs. Crawford provided an update on the three sources that fund the budget: General Funds, Title 1 Funds, and Student Generated Funds. General Funds pay for the staff; Title 1 Funds are used for class size reduction, and Student Generated Funds are used for incentives and activities.

2.3 Staffing Update

Mrs. Crawford reported that staffing will remain at the current level for next school year. There will be no music teacher. Music teachers are mostly unavailable in the district at this time. Mrs. Crawfords suggested that perhaps the SOT team could discuss ways to infuse music into the school day at a future meeting. She anticipates having 85 students per class level. By using Title 1 funding, Mrs. Crawford also anticipates having 22 students per teacher (the district norm is 33.5). Title 1 also provides funding for an additional 4.5 teachers.
